

Doctors for Road Safety

Media statement 5<sup>th</sup> August 2022

(In response to today's Road traffic fatality)

Doctors for Road Safety (D4RS) has to note with great regret once more the senseless loss of precious life on our roads. Our deepest condolences to the victim's family in the first instance.

D4RS believes it is high time that public video surveillance is put to better use to prevent such tragedies, rather than solely to analyse the aftermath.

-----

Doctors for Road Safety (D4RS) hija mnikkta illi jkollha terġa' tinnotta t-telf ta' ħajja mingħajr sens fuq it-toroq tagħna. Nixtiequ l-ewwelnett ngħaddu l-kondoljanzi sincieri tagħna lil-familja tal-vittma.

D4RS temmen illi wasal iż-żmien illi tintuża aħjar il-video surveillance pubblika sabiex jiġu evitati dawn it-traġedji, iktar milli biss sabiex jiġu analizzati wara li jkunu ġraw.
